1. Public Liability Insurance

We hold £2,000,000 Public Liability Insurance.

This means we are covered in the event of accidental injury to a member of the public or accidental damage to their property while we are carrying out our removal services. It provides peace of mind that, in the unlikely event of an incident, any claims for compensation will be handled through our insurer.

2. Goods-in-Transit Insurance

Your belongings are protected while in our care and being transported. Our standard coverage includes:

- Starting Coverage: £10,000
- Increased Coverage: Up to £50,000 (available for larger or higher-value moves, subject to pre-arrangement)

This insurance covers loss or damage to your goods while they are being loaded, transported, or unloaded during your move.

3. Why This Matters for You

Our insurance ensures that:

- Your property is protected against accidental damage caused by us during the move.
- Your belongings are insured from the moment we take possession until they are safely delivered to your new location.
- You can move with confidence knowing that our company operates to the highest standards of safety and responsibility.
